RE: APARTMENT BUILDINGS AT BARNHILL, DUBLIN 15

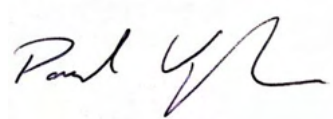

FI/4930/pk/08alh

Dear Gordon,

We can confirm that we have reviewed the floor plans for the apartments and have made recommendations for adjustments and accommodations to ensure compliance with Part B of the Building Regulations/Fire. Subject to these adjustments and accommodations being accounted for we would deem the design and layout of the development to be in accordance with the requirements of the Building Regulations and the eligible for submission for a Fire Safety Certificate.

I trust you find this in order, however should you have any further questions please do not hesitate to contact me.

Yours sincerely

Paul Keogh
Technical Director
